
20/20 Vision

January 30 & 31, 2010

"God has spoken to us through the Bible, and we recognize it as the final authority over our lives. We believe that God's truth is timeless, and that it applies to us today. We do not allow culturally accepted mores to supersede God's Word. We seek God's heart through what He has written in the Bible, and as we get to know God's Word better we get to know God. We also believe that as we submit our selves to God's Word, we will experience maximum freedom, not bondage."
