Interested in exploring faith and community?  
Come to a Starting Point Orientation this Sunday.

If you're new to faith, just checking it out, or coming back to church after being away for some time, Starting Point is a great place for you. Starting Point is a 10-week conversational small group environment where you can explore faith and experience community. It's a place where your beliefs and opinions are valued and where no question is off-limits. To learn more about Starting Point, or to join a group, attend one of our orientations, held on the third weekend of the month after both Sunday services. For more information, visit chestnutridgechurch.com/starting-point.
