## OFFERING

Your gift is impacting this city, state, and world for Christ. If you're visiting with us, please don't feel an obligation to give. Miss the bucket? There's a box on the wall next to Guest Services.

## myCRC

We realize that with a church our size, it may at times leave some feeling out of the loop and disconnected. We want to make this big church feel small! One way we're doing that is through myCRC, a new church-wide database system that allows you to interact with one another, as well as keep up-to-date with the latest happenings around the church.

## GeekSquad

Over the next three weekends, we'll have a "Geek Squad" in the lobby to answer all of your questions about how to use myCRC, from setting up your profile to registering for events and viewing your giving statements.

## Photo Booth

We highly encourage you to add a photo to your myCRC profile page so that others can get to know you better. We'll have a photo booth in the lobby for you to get a nice photo taken. We'll even upload it for you!

**Attend NEXT and see what we've got for you.**

# next

Would you like to learn more about the church or how you can be a part of it? Come to NEXT! It's a short presentation of the history, mission and strategy of the church. It's held on the 2nd weekend of each month in the HUB, directly following the weekend gathering. If you've ever wondered why we do church the way we do, or how you can get more connected in the church, NEXT is the place for you. At NEXT, we will answer some of those questions that you may be most curious about, such as why we play those crazy videos at the beginning of the service. We'll also give you the opportunity to ask your own questions and help you explore the next steps available for you.

### **Mosaic [Singles] Fall Series Starting NEXT SUNDAY**

Throughout this fall, we will be talking through the creation of the world and how things became the way they are today. But we won't stop there. We'll take a look at how God has provided a solution to all that is broken and how we can pursue this restoration of creation through a relationship with Jesus Christ. The ultimate purpose of the fall series is to create a fun, friendly environment where singles can connect while engaging in topics relevant to their lives. The evenings include singing, an encouraging message with biblical content, food, and social time for people to connect with one another.
