next

Would you like to learn more about the church or how you can be a part of it? Come to NEXT! It's a short presentation of the history, mission and strategy of the church. It's held on the 2nd weekend of each month in the HUB, directly following the weekend gathering. If you've ever wondered why we do church the way we do, or how you can get more connected in the church, NEXT is the place for you. At NEXT, we will answer some of those questions that you may be most curious about, such as why we play those crazy videos at the beginning of the service. We'll also give you the opportunity to ask your own questions and help you explore the next steps available for you.
