JOBS FOR LIFE

Jobs for Life (JfL) is a biblically-based program that helps men and women develop the character, confidence and core work readiness skills to prepare them for work and life. JfL will begin a class this fall. We are looking for mentors for the students. Please join us for a short informational meeting in the admin wing following this weekend's services.

Ready to get involved and help make it happen?
Attend NEXT and see what we've got for you.

next

Would you like to learn more about the church or how you can be a part of it? Come to NEXT! It's a short presentation of the history, mission and strategy of the church. It's held on the 2nd weekend of each month in the HUB, directly following the weekend gathering. If you've ever wondered why we do church the way we do, or how you can get more connected in the church, NEXT is the place for you. At NEXT, we will answer some of those questions that you may be most curious about, such as why we play those crazy videos at the beginning of the service. We'll also give you the opportunity to ask your own questions and help you explore the next steps available for you.
