FEBRUARY 14 & 15, 2015
FOR GOODNESS' SAKE

One of God's most amazing attributes is that He is good. God's goodness is revealed throughout Creation and is evident in our lives, even though we may struggle with our present circumstances. In this series, we will explore how understanding God's goodness can make a difference in all aspects of life.

We're so glad you're here! You're currently perusing our program, which holds information about what's going on around the Ridge. Should you want to know more, visit us online.
