HAPPY
Father's Day

Wise Guy is the summer series exploring wisdom from the biblical book of Proverbs.

Solomon asked God for wisdom to rule God's nation, and He granted the request. We could all use a little more wisdom, insight, knowledge and understanding, too.

Solomon, one of the wisest men who ever lived, penned the Old Testament book of Proverbs to address our need to know and understand life. His insights can help us navigate relationships, work, pleasure, and a host of other challenging situations.

You can find weekly notes, discussion questions, sermon audio, and video playback for *Wise Guy* at theridge.church/messages.
