# Balance

Too much to do. Too little time. Too many choices.  
Too many expectations. Sometimes, it's just too much.

In today's world, being perpetually busy comes with a badge of honor. But is it really God's will that we constantly be under stress and deadlines? Is there a better way to navigate life?

Join us on Sunday, April 28th, as we begin a new series called *Balance*. Throughout this series, we'll explore biblical strategies for maintaining a healthy balance, and how to deal with life when it's simply too much.
